The Complete Python Bootcamp From Zero To Hero In Python
Aug 2024 - Sep 2024

udemy, Virtual

"Successfully completed 'The Complete Python Bootcamp From Zero to Hero in Python,' gaining comprehensive knowledge in Python programming.

Covered essential topics such as data structures, object-oriented programming, web development with Flask/Django, and automation.

Built practical projects, enhancing problem-solving and coding skills from beginner to advanced level."

Web Development Course Completion Certificate
Mar 2024 - May 2024

Rinex, Virtual

I am thrilled to share that I have successfully completed the RINEX Web Development course!

Throughout this intensive program, I gained a deeper understanding of essential web technologies and best practices, including HTML, CSS, JavaScript, and responsive design. The hands-on projects and real-world applications provided me with valuable experience and equipped me with the skills to create dynamic, user-friendly websites.
